

DERIVAN®

MiNiS

Water-based Acrylic
Copolmer paint
Non-Toxic

Derivan MiNiS are the highest quality, water-based, acrylic paint developed specifically for miniature and model painters.

Their technically advanced formulation allows the paint to dry fast on application but give a very long shelf life in the bottle.

Derivan MiNiS have an exceptional covering power and smooth matt finish.

Derivan MiNiS allows the finest detail to show through on the smallest of figures, with all Derivan MiNiS being light fast (will not fade).

COLOUR CARD & PRODUCT INFORMATION

Non-Toxic • Water-based • Acrylic Paint
Australian Made

DERIVAN[®]

MiNiS

Water-based Acrylic
Copolymer paint
Non-Toxic

Ink Medium should be used to thin inks without losing adhesion and colour intensity.

Pre-primer will increase the adhesion of paint to plastic figures and models made from polypropylene and polyethylene when used according to instructions.

Primers are available in black and white and provide the perfect surface preparation.

Gloss and Matt Varnish produces a strong, tack-free, clear film that will protect and enhance colours beneath.

Use Matt varnish when a very matt finish is required. Both may be intermixed to create a Satin Varnish

COLOUR MIXING:

All the colours may be intermixed to form the complete spectrum of colours. Derivan Inks can also be applied as a glaze of colour over the painted piece.

CLEAN UP:

Wash all utensils, brushes and hands with soap and water to clean up.

REMOVAL OF PAINT STAINS:

As Derivan MiNiS is a professional grade paint, it is difficult to remove from clothing when dried, we advise to wash stains out immediately with cold water and household soap, taking care not to spread the stain. Dry stains will need to be soaked overnight in lukewarm soapy water. Do not use hot water, chemical solvents or thinners.

ABOUT US

Matisse Derivan have created a large range of paints suitable for all artists from preschoolers to professionals, and to suit many creative interests in between. The Matisse Derivan range encompasses not only the finest artist acrylic colours and mediums, but also includes industry leading, safe, children friendly paints such as Brush & Finger Paint, Face & Body Paint, and Kindyglitz - Australia's most popular glitter glue. Water-based alternatives have also been developed for block printing ink and screen printing ink - allowing educators, parents and artists to work safely.

More recently Matisse Derivan has expanded their range with vibrant acrylic inks, and specialty miniature and model paints and are looking towards the future with new products being developed continually.

As part of the company's 'community and social responsibility policy' Matisse Derivan provide work to several disabled staff as well as providing support to schools, art schools and charities all over Australia.

Matisse Derivan is proud to use raw materials sourced from Australia whenever possible.
